Please visit www.aia-group.net for further information about these and other exhibitions.

From the Chairman's pen

Hola and Greetings.

We are now well into this new year with all of the efforts being made to rectify the economic situation that has left nobody untouched.

The AIA-Group has responded with vigor and we have been involved in organizing exhibitions on our members behalf in 2010 so far at Malaga Airport, Lucia (Fuengirola) and Jinete (La Cala, Mijas Costa). We also arranged exhibitions at ACEfm studios in La Trocha Centro Commercial, Coin and NIXS bar in Fuengirola.

Again our sincere thanks are due to the magazines, papers, radio, TV and Blog sites specific to the Costa del Sol that have continued to support our efforts and help us reach out to visitors and existing clients. Some of our members have also participated in solo, joint and collective exhibitions outside the AIA-Group banner in the Casa de la Cultura in Fuengirola; Casa Cultura Los Boliches; in commercial galleries in Málaga City and at Atheno in Málaga City; in Casa de la Cultura, Alhaurin el Grande; Veléz Málaga; etc. Congratulations to all. We are proud of your achievements.

Our ArtDayMalaga Gallery visits was a great success and a separate ArtPaintingDay at first washed out went ahead a week later and was well attended.

If you would like to be notified of these and other events then just drop us an email and we will make sure that you get onto the circulation list.

Come along to our exhibitions and buy some original artwork from our talented artists from Spain, England, Wales, Ireland, Peru, Sweden, Finland and Denmark.

Roger Cummiskey

Thank you for your continued support and encouragement.
